the registration of the vessel on the FFA Vessel Register, as specified in paragraph (b) of §300.45.

(2) Upon receipt of a request and complete application under paragraph (m)(1) of this section, the Regional Administrator, after determining that all the fees required for the vessel by the Administrator for the current licensing period have been paid, that the ownership of the licensed vessel and the ownership of the vessel to which the application approval would be transferred are identical, and that the transferee vessel meets the requirements for licensing under this subpart and the Act, will approve the application and notify the applicant of such within 10 days of the determination.

(3) If a licensed vessel is lost or destroyed, and the operators of the vessel apply for a license for another vessel for the licensing period during which the vessel was lost, or for either of the two subsequent licensing periods, NMFS will consider the replacement vessel to have the license application approval status and history of the lost or destroyed vessel for the purpose of applying the prioritization criteria of paragraph (k)(4) of this section, provided that the ownership of the lost or destroyed vessel and the ownership of the replacement vessel, as determined by the Regional Administrator, are identical, and the replacement vessel meets the requirements for licensing under this subpart and the Act.

(n) *Procedures for 2011–2012 licensing period.* For the licensing period that starts June 15, 2011, and for that licensing period only, pre-approvals may not be sought and will not be issued by NMFS. NMFS will rank order those applications received by February 5, 2011, for the 2011–2012 licensing period by applying the criteria in paragraphs (k)(4)(i) and (k)(4)(ii) of this section, except that in lieu of using the criteria in (k)(4)(i), first priority will be given to applications for vessels that as of February 5, 2011, have valid licenses for the 2010–2011 licensing period.
